

JENNIFER KIM

1 Morrisfield Pass • Colts Neck, NJ 07722
Phone: (732) 915- 9103 • Jenn.Kim17@gmail.com

OBJECTIVE

Seeking a full-time position that will utilize my outstanding communication skills and years of education in criminal justice.

EDUCATION

Masters of Arts in Criminal Justice

Graduated: January, 2018

Concentration: Criminal Justice

Rutgers University Newark, New Jersey

Cumulative GPA: 3.950

Bachelor of Science in Criminal Justice

Graduated: August, 2017

Concentration: Criminal Justice

Rutgers University Newark, New Jersey

Cumulative GPA: 3.851

EXPERIENCE & INTERNSHIPS

“Racial Democracy, Crime and Justice Network Conference”

Assistant

(2016-2017)

- Assisted Dr. Miller and Dr. Novich in the RDCJN Conference at Rutgers Newark by collecting directory information.
- Assisted in the preparation of RDCJN Conference 2016 and 2017.

“Rutgers University Research Assistant”

Research Assistant

(2015-2017)

- Transcribed research interviews for graduate students
- Cleaned over 70 interviews for life-event calendars. A new innovative method for surveying complicated longitudinal data of research participants.

“REU Scholarship at University of Alabama”

Research Assistant

(2015)

- Accepted into the Research Experience for Undergraduates scholarship program by the National Science Foundation during the Summer of 2015.

- Conducted interviews, transcriptions, and analyzed data through grounded coding with team co-researchers

“Rutgers Center on Public Security”

Research Assistant

(2014-2015)

- Assisted Dr. Joel Caplan and team of graduate students in data cleaning. As well as learning and using the innovative methods for researching and evaluating the context behind high crime locations in Jersey City.
- After assisting the Rutgers Center on Public Security, I continued my studies with courses on learning to effectively utilize Risk Terrain Modeling in spatial diagnosis. As well as courses on crafting effective policing policies towards lowering future crimes in high risk areas, without increasing arrests.

“Think Outside the Cell”

Internship

(2013-2014)

- Under the supervision of the Bonner Program, I worked with a New York Faith-Based Foundation in ending the stigmatization of the formerly incarcerated.
- Gathered a range of statistics and information on New York states recidivism rates and offenders to produce reports on the collateral consequences of criminal convictions in heavily policed neighborhoods.
- This official report card was shared at The Riverside Church Prison Ministry 40th anniversary.

CONFERENCE PRESENTATIONS

“The American Society of Criminology Conference”

Philadelphia, PA

(2017)

- Presented research paper on “Symbolic perceptions of methamphetamine: Differentiating between ice and shake”.

“The American Society of Criminology Conference”

New Orleans, LA

(2016)

- Presented research study from REU scholarship on “Methamphetamine Manufacturing, Risk Management, and Restrictive Deterrence: Variation in Risk Perception and Management by Cooking Roles.”

PUBLICATIONS & WORKS IN PROGRESS

Copes, H., Tchoula, W., Kim, J., & Ragland, J. (2018). Symbolic perceptions of methamphetamine: Differentiating between ice and shake. *International Journal of Drug Policy*, 51, 87-94.

Grundetjern, H., Kim, J., & Miller, J. Home-Grown Meth in the Midwest: Organizational Conditions and Women’s Positions. (*In progress*)

ADDITIONAL SKILLS

- Software: Statistical Package for the Social Sciences (SPSS), STATA 15, and Risk Terrain Modeling software (RTMDx)
- Experience with Microsoft Office- Word, Excel, & PowerPoint
